(Standard) <input type="checkbox"/></p> <p>long (more than 7cm) <input type="checkbox"/></p> <p>short (up to 3 cm) <input type="checkbox"/></p>
--	---	---

Dog's name:

Pedigree No.:

29. hair length in total

- laterally shorter than the withers ()
- uniform hair length ()

30. flags, pants, feathering (only smooth haired)

- clearly present ()
- sparsely present ()
- missing ()

31. fur

- with undercoat ()
- little undercoat ()
- without undercoat ()

32. body drawing

- more than 60% white ()
- 30-60% white ()
- below 30% white ()
- saddle ()
- coat ()
- missing badges ()

33. color of badges

- light brown ()
- medium brown ()
- dark brown ()
- brown with black tips ()
- black with brown ()
- undercoat ()
- black ()
- tricolor ()
- sand ()

34. trout spots

- no ()
- implied ()
- present ()
- explicitly present ()

35. tail carriage on the move

- sabre ()
- sickle ()
- curling tail ()
- pendent tail ()

36. gait

- fluently ()
- good reach ()
- good thrust ()
- little thrust ()
- amble tendency ()
- amble ()
- not to judge ()

37. gait front

- correctly ()
- paws narrow ()
- turned out ()
- crossing ()

38. gait rear

- correctly ()
- heels narrow ()
- paws narrow ()
- turned out ()
- hind pastern narrow ()

Result of exterior evaluation:

meets the standard

Meets the standard with following restrictions

Does not meet the standard

Description in short:
.....
.....

Results of behavioral evaluation/remarks:

measuring	teeth check	persons	persons with. dog	everyday situation

judgement:

- a = safe behavior socially and to environment
- b = skeptical behavior, calming down after short time
- c = unsafe without stabilization
- d = irritable behavior
- e = aggressive behavior

Total assessment of behaviour:

Suitable for breeding

Suitable for breeding with conditions

Deferment, reason

Not suitable for breeding, reason
